

General Information

After January 1, 2009 any deed, instrument or writing shall be exempt from up to one third (1/3) of any Real Property Transfer Tax imposed pursuant to The San Francisco Business and Tax Regulations Code if: (1) it transfers an interest in real property used as a residence; AND (2) the transferor has installed an active solar system, as that term is defined in Revenue & Taxation Code §73(b) OR has made seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies, as those terms are defined in Revenue & Taxation Code §74.5(b), and the Assessor has approved an exclusion from reassessment for the value of that system or those improvements.

This partial exemption shall only apply to the initial transfer by the person who installed the active solar system or made the seismic safety improvements. The amount of this partial exemption shall not exceed the transferor's cost of seismic retrofitting improvements or the active solar system. Multi-family residential properties are eligible for this partial exemption.

To qualify for this exemption:

- The construction, installations or modifications must be completed on or after January 1, 2009;
- The deed, instrument, or writing transfers an interest in real property used as a residence;
- The transferor installed an active solar system OR;
- The transferor has made seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies, as those terms are defined in Revenue & Taxation Code §74.5(b) AND;
- The Assessor has approved an exclusion from reassessment for the value of that system or those improvements;

To claim the transfer tax solar/seismic exemption, the taxpayer must:

- Pay the full documentary transfer tax at the time of recording
